The VENDOR, its affiliated companies and subsidiaries shall secure and maintain during the period of this Agreement Commercial General Liability Insurance, which shall be written on an "occurrence" basis, with a standard broad form endorsement and/or excess umbrella liability with combined single limit of not less than \$300,000.00 for each occurrence and \$300,000.00 general aggregate. Proof of this insurance shall be provided to WGI no later than **April 19th, 2019** prior to the beginning of the work to be performed described herein.

On such policy, VENDOR agrees to name **Watkins Glen International, Inc., its parent, subsidiaries, limited liability and affiliated companies and their respective shareholders, officers, directors, employees, members, agents and assigns** as additional insureds as respects to the Finger Lakes Wine Festival on July 13-14, 2019.

VENDOR's personnel working at WGI are not employees of WGI. VENDOR shall carry at least the statutory minimum Workers' Compensation Insurance required to adequately comply with the laws of the state of New York. Vendors without an insurance policy may apply for insurance as part of the festival's coverage. Certain restrictions apply. The fee is \$75.00 and an application is available upon request.

Product Guidelines - The Festival will be accepting vendors based on information provided in the application, at the Festival's discretion. In some cases, samples of products may be required. ***The festival reserves the exclusive right to sell neck sling-type wine glass holders and T-shirts. They are specifically prohibited from being offered by any other vendor.***

Use of "officially licensed" products, (i.e. NASCAR, Disney, NFL, etc.), is limited to those products produced with contractual permission from the organization. Licensed products can be purchased for resale, but must be manufactured by a company that produces products "Under License", and product must state so on tag or packaging.

All raffles/drawings/giveaways must be approved, in advance - in writing - by festival management.

Decorating/Additional Furniture Needs - A Decorating company has been retained to handle Festival décor for indoor booths. All backdrops and table skirting under Festival's Main tents will be handled by the decorating company. While vendors are encouraged to individualize their spaces, they are asked not to make essential changes (such as replacing the backdrop) and are asked not to place any items outside of booth or site space. Vendors bringing own tenting/structure for outside site are responsible for arranging for own furniture and decor. Any additional furniture needs may be handled through the decorating company on a direct basis.

Power/Utilities - Electrical receptacles are at a premium and all needs must be communicated well in advance of your arrival, and are at the vendors cost. Special electrical needs (i.e. 220) may be accommodated and will be handled on an individual basis. No water hook-ups are available, but there are water spigots nearby to fill containers.

Security - Over-night security will be provided by Watkins Glen International, and the Festival will arrange for uniformed law enforcement officers to be on patrol during the event, and overnight. However, this in no way implies responsibility on the part of the festival for lost/stolen items.

Worker Entry - Each vendor will receive 4 Vendor Badges per booth or site rented at least 2 weeks in advance by mail. Additional needs for access must be handled via a purchase of tickets. Each vendor will receive 1 parking pass for their supply vehicle to park in vendor parking. Parking for personal vehicles is available in the general lot – no parking pass is needed.

Tickets - Tickets will be sold in advance through the Watkins Glen International Ticket Office (866-461-7223), at the gate of the festival on event day, online at www.FLWineFest.com, and at Watkins Glen International's "The Shop" in downtown Watkins Glen. For best pricing, purchase in mid-June before the advance sale discount ends.

***** Under no circumstances will a vendor will be allowed to set up operations unless we have a copy of their NYS Certificate of Authority to Collect Sales and Use Tax (if applicable), a current insurance certificate using the proper wording as stated above, and a fully executed contract.**
