Content - All raffles/drawings/giveaways must be approved, in advance - in writing - by festival management. Any names/mailling list collected must also be provided to the Finger Lakes Wine Festival within 30 days after the event.

Food Products Planned for Inclusion - The Festival will be accepting restaurants/food court vendors based on a combination of menu offerings and site presentation as noted in the application. We are looking for upscale and unique offerings, and will not be accepting vendors who propose to sell typical carnival foods such as Hot Dogs, Hamburgers, Cotton Candy, or packaged novelty snacks.

Please note that Food Vendors may not include retail items such as souvenirs or packaged food products like sauces, jams, or salad dressings. The participation of local farmers is vital to the success of this event and those local farmers who choose to participate need to enjoy a reasonable level of success with items such as these.

Beverages - Only Coca Cola products are allowed to be sold, including Dasani water. Other beverages that can be offered are juice, iced tea, lemonades, coffee, etc.

Security - Over-night security will be provided by Watkins Glen International, and the Festival will arrange for uniformed law enforcement officers to be on patrol during the event, and overnight. We are not, however, responsible for stolen or otherwise damaged items left over-night.

Worker Entry - Each vendor will receive Vendor Badges as needed for working staff only. Badges will be mailed out at least 2 weeks prior to the event, in an amount noted on individual contracts. Additional needs for access maybe handled via a purchase of tickets. Each vendor will receive 1 parking pass for a delivery vehicle

Tickets - Tickets will be sold in advance through the Watkins Glen International Ticket Office (1-866-461-7223), at the gate of the festival on event day, online at www.FLWineFest.com, Watkins Glen International's The Shop. For best pricing, purchase in mid-June before the advance sale discount ends.

Sub-Renting - Under no circumstances may you sub-rent your booth space to any other vendor.

Power/Utilities/Phones - Electrical receptacles under festival tents are at a premium and all needs must be communicated well in advance of your arrival, and are a cost to the vendor. Special electric needs (i.e. 220) may be accommodated and will be handled on an individual basis. No water hook-ups are available, but there are water spigots nearby to fill containers.

*****NO vendor will be allowed on the property unless we have a copy of their NYS Certificate of Authority to collect sales tax, and a current insurance certificate, using the proper wording as stated above, a signed contract and payment. Vendors must have the Sales Tax Certificate prominently displayed at their location.**
